CMHO accepting units at the Primary Health Centre (PHC) - Sarada

Covid Warriors : Asha workers / ANM's - Jalore

## Ventilators

As the covid-19 situation got grim across nation, IIFL Foundation donated '**Ventilator Machines**' to Hospitals, aiding the COVID recovery ward.

“The management of Holy Spirit Hospital is very grateful to IIFL Foundation for their constant support to the disadvantaged sections of the society. We are touched by their benevolent act of donating the ventilator machine, which will enable treatment of COVID patients who cannot afford the medical emergencies and the accompanying costs.”

**Ms. Shruti Chacko**, Director-Finance, Holy Spirit Hospital.

## ICU Beds

IIFL Foundation donated 4 **Paediatric ICU beds** to the Covid Relief facility at District Womens Hospital, Washim, Maharashtra.

The provision was made honoring request from Shri. Kuladeep Jangam (IAS), District Collector, Washim.

## Covid-19 Vaccination Drive

The drive aimed at vaccinating the specially-abled individuals from Mumbai falling under lower income group.

Through this initiative, safe and sanitized **auto rickshaw service** was setup at the doorstep of the beneficiaries.

Over **1,000** individuals were vaccinated through this initiative.

- **Safe & Sanitized Rickshaw**
- **Exclusive Vaccination Counter**
- **Vaccinated Support Team**

# Health Mission Conquer Covid

## Awareness camps - Covid-19

Dakshas (Teachers) from Sakhiyon ki Baadi Program worked actively to enlighten community members over safety measures against Covid-19.

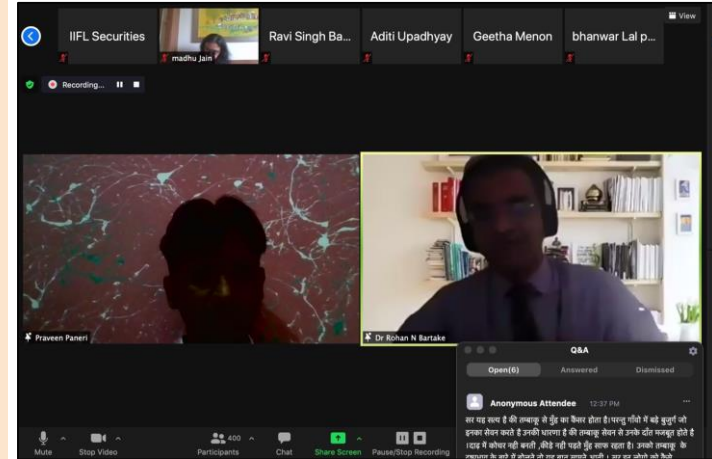

In the light of report published by WHO, outlining the connection between tobacco users and higher potential to contract Covid-19.

IIFL Foundation organized an **online session** for **community** members from Rajasthan, to help them understand ill-effects of tobacco consumption.

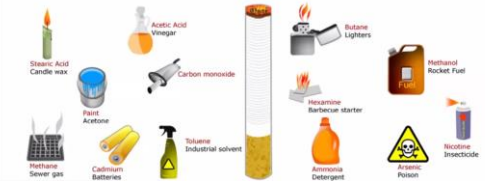

Dr.Rohan Bartake from Indian Cancer Society, connected with **400+ community members** from rural communities, across 11 districts of Rajasthan over **Webinar**.

During this **90 minute** interactive online session, Dr.Rohan answered question from the participants and shared ways to kick the addiction and lead a healthy life

## Awareness camps - Anti-Tobacco

### Poisonous chemicals in tobacco smoke

# Health Ophthalmic Ward

IIFL Foundation donated medical equipment to **Primary Health Center (PHC)** at Khamnor (rural) for setting up an Ophthalmic Ward.

This is the first and only facility of such kind in the village, that shall be beneficial to people dwelling in a radius of 30 kms.

Donation of ESG Unit by

at KEM H

Installed at Dept. of Endoscopy, KEM Hospital, Mumbai.

The department carries out approximately 900 procedures every year, which requires extensive usage of ESG unit. The existing ESG machine at the facility was 8 years old and lacked a lot of critical coagulation and cutting modes.

This state-of-art medical equipment will benefit the economically weaker families to cut the cost of treatment.

Cost of one procedure in a private clinic comes around Rs.15,000, while the services at the KEM Hospital (Government) would charge less than Rs.500 per procedure.

IIFL Foundation donated **C Arm X-ray Machine** to the Orthopaedic Ward - Surgery Dept., at the Govt. Hospital (Udaipur).

C Arm provides **high-resolution X-ray images in real time** and physician can track progress and can alter the configuration anytime during operation.

Patients from lower income group, across districts of Udaipur, Dungarpur and Bicchiwara access treatment at Govt. Hospital (Udaipur) that offers **Free-of-cost** treatments and surgeries.

# Health Development at Govt. Hospital

IIFL Foundation has undertaken the responsibility to reactivate the dormant wards at the **Maharana Bhupal Government Hospital, Udaipur.**

The work entails repair of the existing rooms and setting up of following wards

**Operations Theatres (OT) - 3 Nos.**

**Intensive Care Unit (ICU) - 1 Nos. (5 Beds)**

**Outpatient Department - 1 Nos.**

Senior Doctors Cabins - 2 Nos.

Waiting Area - 1 Nos.

The setup will be completed with installation of **Medical Equipments in the OT, OPD and ICU** and furnishing the wards (Ceiling, Flooring, Electrical Fixtures)

ICU Ward with cabins for resident doctors

3 Operation Theatres under development

# Health Ambulance (Raj. & Tamil Nadu)

In case of an life-saving medical emergency arising at **rural** locations, patients often need to rush to nearest city to get required medical treatment.

IIFL Foundation donated 2 Ambulances (Rajasthan & Tamil Nadu) to offer free of cost service to marginalized population dwelling in rural settlements.

**Implementing Partner - Ramkrishna Math (Coimbatore) & Mahaveer Jain Sansthan (Rajasthan)**

Donated to Mahaveer Jain Vidhyalaya Sanstan, Udaipur, Rajasthan

Donated to Ramkrishna Math (Coimbatore, Tamil Nadu)

# Health Drone project

Delivering Covid-19 vaccines is challenging in many parts of India, given to the geographical obstacles. Regions that are mountainous, hilly or divided by water bodies are hard to reach.

IIFL Foundation's initiative empowered delivery of covid-19 vaccines in **9 minutes and 30 seconds** by drone, across the distance that takes 70 minutes by road.

"Maharashtra has always been at the forefront of implementing innovative initiatives -- transporting vaccines by drones has made reaching health care for the people in the remote tribal regions much easier and wider," - Uddhav Thackeray, Chief Minister - Maharashtra.

# Education

# Education Sakhiyon ki Baadi

## Place

**Sakhiyon Ki Baadi** runs in a place allotted by the community viz. someone's house, veranda, community hall or perhaps a common open area.

## Daksha

A learning facilitator (female) is selected from the community, who is willing to brave the challenge. Min qualification is 10th pass, we look for desire, commitment & willingness to learn!

## Functioning

Operating for 4 hours a day and 6 days a week. Post pandemic, sessions were conducted online (Google meet) and girls attended in groups, over phone lent by community member

## Chaupal Baithak

Participation & ownership of the SKB centre by the community members is ensured right from the onset of this program. After all true change shall come only over change in mindset of the community

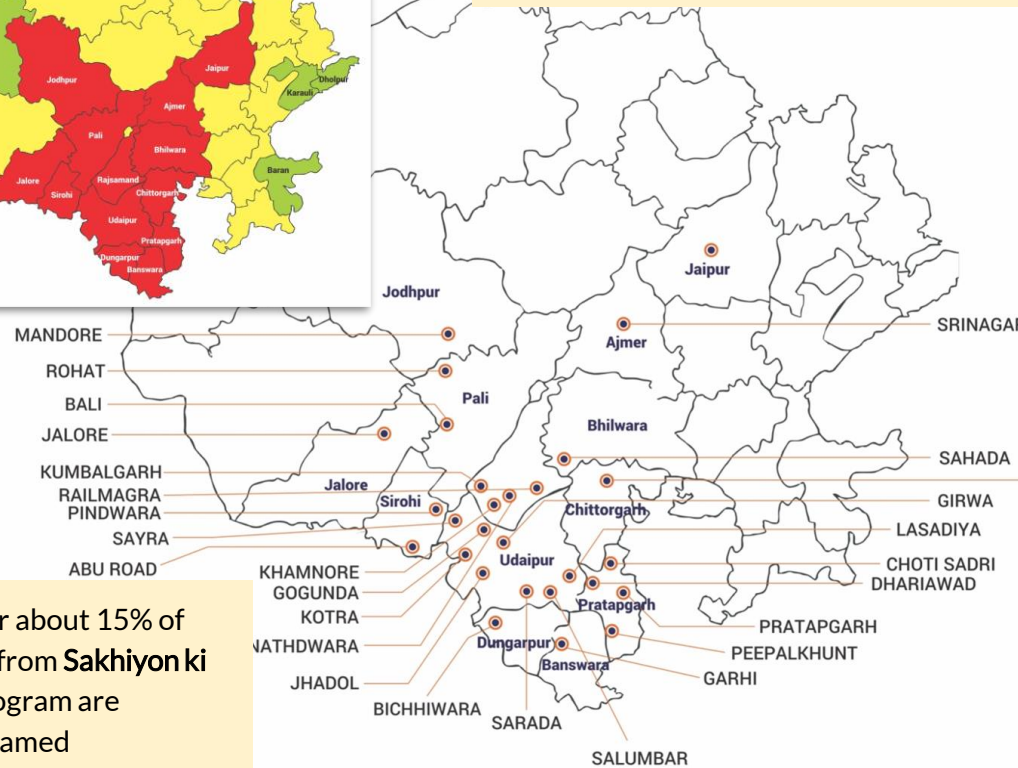

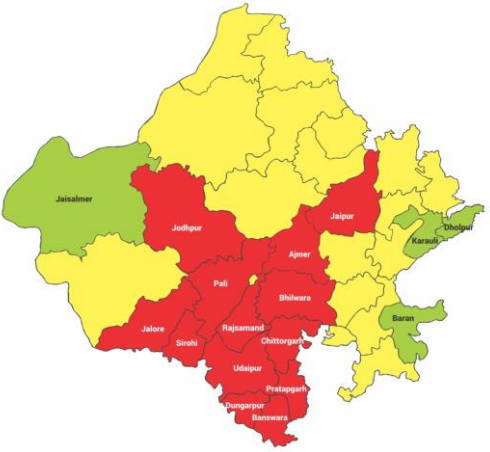

The program empowers the indigenous Schedule Tribe Communities : **Meena, Garasiya, Kalbeliya, Bhil, Rebari & Banjara.**

# Education Sakhiyon ki Baadi (Online)

# Education Rathshaala

IIFL Foundation's unique initiative **Rathshaala** is a *school-on-wheel* that travels along with the nomadic tribe of Rebaris. The community migrates with their families and cattle for over 8 months in a year, in search of new pasture lands for their cattle and carrying out trade, livelihood offered by their cattle.

Formal literacy among the tribe is very low as they are seldom stationed at a location for more than a few weeks. IIFL Foundation's Rathshaala, travels along the caravan, and is led by a teacher who conducts learning session for children from the tribe, twice in a day.

**During Covid-19 pandemic, the tribe faced difficulty in mobilisation and thus stationed themselves at village on Gujarat-Rajasthan border.**

IIFL Foundation helped them with a teacher and learning resource material to sustain the education of the children.

# Education for underprivileged

Since 2018, IIFL Foundation has been supporting education of the children from the **Financially weaker section** of the community residing at Janupada Vaibhav Nagar locality (slum settlement) located at Kandivali (E), Mumbai. Parents of almost 90% of enrolled students earn their livelihood through menial occupations and find it difficult to meet financial demands to offer their children quality education.

The school was on verge of closing down during 2018, facing scarcity of funds and since then IIFL Foundation has helped them sustain the operations. Children are offered education 'free of charge' and not charged any fee.

# Livelihood e-Mela

IIFL Foundation launched an unique online platform to support artisans, craftsmen and small scale producers across the country, to resurrect their livelihood in the post-lockdown phase. An online website - [daanutsav.iifl.com](http://daanutsav.iifl.com), offering a platform for NGOs, Self Help groups and community based groups to showcase and sell their products directly to customers across India. The services of this platform are offered 'free of cost' to the users.

**A step towards Atmanirbhar Bharat**

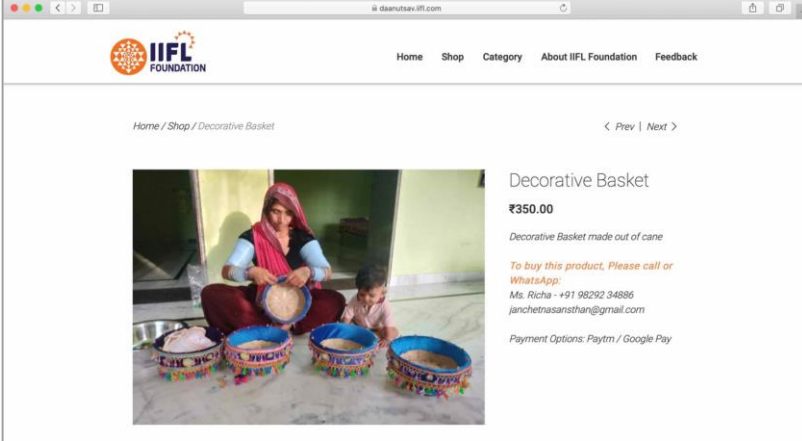

In the spirit of "Daan Utsav" which will be observed from **2<sup>nd</sup> - 8<sup>th</sup> October**, IIFL Foundation will launch a unique platform to support artisans, craftsmen, and small scale producers across the country.

This platform will be a website for **NGOs** (80G registered), **SHGs** and **other social groups** to showcase and sell their goods, directly to customers across India.

Come, join our efforts towards **Atmanirbhar Bharat!**
